## More celebs go 'Running Wild' as adventure series moves to NatGeo

By George Dickie

After four seasons of pushing celebrity guests to their limit and beyond on "Running Wild With Bear Grylls," the British survivalist moves the show from NBC to National Geographic for more death-defying adventures in the world's most extreme environments.

Cara Delevingne is a guest star in Season 5 of "Running Wild With Bear Grylls," which opens Tuesday on National Geographic.

Opening its fifth season Tuesday, Nov. 5, the hourlong series finds Grylls again serving as host and guide as he takes A-list actors and athletes off the grid and into varying degrees of peril on one-of-a-kind excursions. In the 10 episodes, he'll traverse a massive slot canyon with comedian/actor Joel McHale in Arizona; rappel down a waterfall with model/actress Cara Delevingne in Sardinia; negotiate jagged ice fields with comedian/actor Rob Riggle on an Icelandic glacier; and in the season opener, wade through a crocodile-infested mangrove with Oscar-winning actress Brie Larson in the Panamanian jungle.

"While she has super powers on the big screen as Captain Marvel," Grylls says of Larson, "on the small screen, she was by her own admission a fish out of water. So seeing her handle a machete, plunge from a helicopter into Panamanian waters and undertake a full-on crossing of a crocodile-filled mangrove swamp truly was a remarkable journey. What an inspirational woman she is and with a great sense of humor in the big moments."

Indeed, while giving these celebs an adventure they'll never forget — and one viewers will want to tune in to — is para-

mount, Grylls must also be mindful of safety and not giving them more than they can handle.

"For me, the goal is ultimately about empowering these stars with skills that they can then take back to their regular lives," he explains. "The wild tends to take care of both of these things, though, as all of the wildernesses we traverse stretch us both in terms of terrain, weather and wildlife. We always have to be on our game and alert, and without doubt, there are always moments of raw fear and doubt for the stars on these journeys. But when we walk towards the difficult stuff and we keep going despite the nerves or fatigue, we all come out stronger and with a deep sense of pride."

And at the end of the day, personal growth is what "Running Wild" is about.

"I always tell guests that the best way over our fears in life is not to run away but to face them and walk towards them," Grylls says. "When we do that together then nothing is insurmountable. For me to see the look of quiet pride in a guest's eyes at the end of a journey done well and safely is amazing and humbling to see. In fact, that sense of pride is why I do this job."

"Money can't buy that sense of quiet confidence — and often relief — that comes at the end of a mission into the wild together."

## SOAP UPDATES

**By Dana Block**  
**THE BOLD AND THE BEAUTIFUL** Hope told Liam that she wanted Douglas to live with them permanently. After Thomas intercepted a text message with information about Hope's plan, he showed up unannounced and confronted her. Vinny learned that Thomas invited Zoe to move in. Even though she was impressed with Thomas' latest designs, Steffy informed Ridge that she was not ready to forgive and forget. Later, Thomas told a stunned Ridge that it was Brooke, not Hope, who drew up the adoption papers. Bill admitted to Wyatt that Quinn asked him to inquire about his proposal to Sally. Ridge went ballistic and vowed that no one would take away Thomas' son. **Wait to See:** Hope attends the family Halloween soiree to manipulate Thomas into signing the adoption papers.

**DAYS OF OUR LIVES** Kayla and Roman questioned Hope's odd behavior. Dr. Rolf threatened Jennifer. Things turned romantic as Ciara helped Ben make a gift for David. Jordan cooked up a deadly scheme. Eli and Lani planned their wedding while Gabi plotted to end their happiness. Justin proposed to Adri-

enne. Brady received the results of the paternity test. Jack and Jennifer's romantic plans got derailed. Gabi vowed to avenge Stefan's death. Ben and Ciara arrived for David's birthday party, unaware of what Jordan had in store. Brady showed concern for Kristen, who insisted on attending Stefan's funeral. Gabi lowered the boom on Lani. Jack asked Jennifer to marry him. **Wait to See:** Ciara suddenly doesn't feel well at David's party.

**GENERAL HOSPITAL** Brad received some surprise flowers. Ava collapsed. Michael grew increasingly impatient. Hayden let her guard down around Elizabeth. Felicia was concerned. Jason turned to Laura for answers. Elizabeth's words resonated with Julian.

Don Diamont stars as "Bill" on "The Bold and the Beautiful"

Finn made plans to see Hayden. Curtis went on the defensive. Robert joined Laura for a quick check-in. Jordan spoke of Franco's heroism. Elizabeth was very emotional. Jason spent time with Danny. Michael noted a change in Josslyn. Monica was visibly upset about something. Ava returned to the gallery. Laura and Curtis brainstormed. Diane felt confident. **Wait to See:** Sasha and Michael have a tense confrontation.

**THE YOUNG AND THE RESTLESS** Phyllis cornered Abby into discussing a new security system for the hotel. Mariah caught Sharon up on her life. Elena was worried how much stress Devon was experiencing over Katherine's will and Tucker's disappearance. Theo did his best to charm Abby, but his plan fell flat when he mentioned Arturo. Nick told Chelsea that he was going to Vegas to bring Adam back. Sharon hoped that her date with Rey was really a new beginning for them. Victoria struggled to break the news to Billy that Adam was back, but he assured her that they would face the threat together. Devon offended Amanda by trying to bribe her. **Wait to See:** Tricks and treats invade the dreams of Genoa City.

## • PLUMBING • HEATING • AIR CONDITIONING

With every home improvement on television or quick-fix tutorial on YouTube, it's easy to make believe that we are all do-it-yourself gurus. Going down that road can often seem like a good idea at first, but end up costing a lot more money in the long run, when your heat is out or your sink is leaking all over the bathroom floor. You could end up causing more damage to your home or business, or even worse, yourself. Leave all of your plumbing and heating needs to the professionals at DMC Plumbing and Heating.

DMC Plumbing and Heating has been around for over 40 years. You can trust those decades of experience when you're in your hour of need.

Making an appointment is simple too.

Of course you can call 201-437-5751 and schedule a service appointment with a live person you can talk to. Also check their ad on the front page of this magazine for deals and specials.

Perhaps my favorite option DMC offers is their Home Maintenance Program. Why wait until your furnace or hot water heater breaks down? Let the experts at DMC perform regular checks on your equipment and catch little problems before they become major issues.

DMC Heating and Plumbing offers a multitude of services: sinks, sump pumps, water heaters, drains, furnances, boilers and more. It's not just residential either; DMC takes care of all your commercial needs to. Business or home, they've got you covered.
